PROFESSIONAL SUMMARY

Highly motivated Electronics and Communication Engineering student with a strong passion for Web Development and Software Engineering. Proficient in Python, Java, HTML, CSS, and JavaScript, with practical experience in full-stack development, embedded systems, and IoT gained through 4+ academic projects and hackathons. Adept at problem solving, collaborative teamwork, and committed to developing innovative, impactful, and efficient technological solutions.

SKILLS

Programming Languages: Python, Java, C, JavaScript, SQL

Web Technologies: HTML5, CSS3, React.js, Responsive Web Design

Tools & Version Control: Git, VS Code

Core Concepts: Programming Fundamentals, Object-Oriented Programming (OOP), Data Structures & Algorithms

EDUCATION

Bachelor of Technology

Jun 2024 - May 2027

SUMATHI REDDY INSTITUTE OF TECHNOLOGY FOR WOMEN • GPA: 7.9

Diploma in Engineering

Jul 2019 - Dec 2024

GOVT.POLYTECHNIC PARKAL • GPA: 6.9

Secondary School Certificate

Jun 2018 - Dec 2019

TEJA INTERNATIONAL HIGH SCHOOL • GPA: 8.8

PROJECTS

Power generating system using Foot - steps [\[GitHub\]](#)

- Developed a piezoelectric-based system to generate electrical energy from human footsteps.
- Designed an energy storage and conversion circuit for efficient power utilization.

Embedded Systems • Arduino IDE • Power Management

Smart Baby Monitoring System

- Built an IoT-based baby monitoring system for real-time safety and health tracking.
- Implemented instant alert notifications using sensor-based monitoring and wireless communication.

Embedded Systems, Arduino IDE

Driver Anti-Sleep Device

- Developed a drowsiness detection system to monitor driver fatigue and enhance road safety.
- Implemented a real-time alarm mechanism to alert drivers and prevent accidents.

Personal Portfolio Website [\[Live\]](#) [\[GitHub\]](#)

- Developed a fully responsive personal portfolio website using HTML5, CSS3, and JavaScript, ensuring optimal viewing across all devices.
- Designed an intuitive user interface to effectively showcase projects, certifications, and achievements, enhancing personal brand visibility.

HTML5 • CSS3 • JavaScript • Responsive Web Design

CERTIFICATIONS

Python Essentials-1 - Cisco

Technoverse Hackathon 2026 – Certificate of Appreciation – cognizant

APJC NetAcad Riders – participation in cisco NetAcad Riders 2026

ACHIEVEMENTS

InnovateHER 24 hours Hackathon – Best performer

Project Expo 2K26 – First prize
